

GOD'S RESCUE HEROES VBS

July 9th – 13th from 6:00 PM to 8:00 PM

God's rescue work is not for the faint of heart. But if you want to make a difference there is no better time than now!

As we involve your children, they get to see for themselves the rich lessons of faith and living that can be learned.

Every day we will check in with a group of firefighters and police officers as they seek to save lives by showing God's saving grace. Every day there will be specific Bible teaching to reach your child's heart with God's word.

There will plenty of fun crafts to engage your child's mind and hands.

There will also be fun games to prepare them for work as one of God's Rescue Heroes.
